EXPORTATION

M

Nous vous soumettons la nouvelle édition de notre **Album de Coutellerie.** En parcourant les 80 planches et en détaillant ses 1000 gravures, vous rencontrerez en grand nombre des articles qui solliciteront votre choix.

Nous signalons à votre particulière attention, les articles marqués J.B BECHON GORCE. Ils sont de très bonne fabrication, bien finis et d'une coupe excellente.

Sous la garantie de la marque LA PERDRIX, nous vous offrons, principalement en **Couteaux de Cuisine** et **Bouchers,** la **meilleure qualité** qu'il est possible de réaliser.

Le stock important de marchandises que nous avons toujours en magasin, nous permet d'expédier les ordres qui nous sont confiés, dans des délais très courts, et souvent, par **retour du courrier.**

Enfin, nous restons attachés très fermement aux traditions d'exactitude et de célérité qui ont valu à la **Maison BECHON-GORCE** son enviable renommée.

CONDITIONS DE VENTE

Les Marchandises sont vendues, prises et payables à THIERS (P.-de-D.).

Toujours soigneusement emballées, elles voyagent aux risques et périls du destinataire.

Les emballages sous **zinc** ou sous **toile grasse,** sont comptés au prix de revient.

Les frais de transport, ainsi que les frais de retour d'argent dans les expéditions contre remboursement, sont toujours à la charge du destinataire.

Sauf de très sérieuses références, toutes nos ventes sont faites au **comptant** contre **envoi des fonds avec la commande,** ou **contre remboursement.** Dans ce dernier cas, nous exigeons des **arrhes** pour la garantie des frais de transport.

Les échantillons sont toujours facturés.
